

# FACILITY RULES

## Diving Well:

1. The Diving Well may be used only when there are enough lifeguards on duty. Management has the discretion on when to allow aqua-jogging permit or the diving board to open. Please note: we have to safely accommodate many swimmers and activities at once.
2. Only one person is allowed on the diving board at a time.
3. The fulcrum must be in the full forward position.
4. Please walk on the diving board.
5. The diver is only allowed to bounce once off the diving board
6. No flips, spins, backward or inward jumps allowed
7. The diver must jump straight off the board. Please do not jump to the side.
8. Once you have jumped off the boards, swim directly to the nearest ladder.
9. Goggles are not allowed to be worn when going off the diving board.

**The Brookline Pool Management reserves the right to refuse admittance or eject from the pool any persons failing to comply with any of the above health and safety regulations.**
